I About Chettinad

The Chettinad Group has a rich legacy of over 60 years in the field of education and have been pioneers in providing a progressive learning environment across Tamil Nadu. Currently, the Chettinad Group is offering courses to 12000 students in 22 private and government-aided schools and colleges. These institutions offer a wide range of courses, including Medicine, Dentistry, Engineering, Law, Architecture, Physiotherapy, Nursing, Allied Health Sciences, Pharmaceutical Sciences, and Occupational Therapy.

With a commitment to excellence, the Chettinad Group has established itself as a leading educational institution in the region. It focuses on providing a holistic learning experience which helps students develop not only academically but also personally. The Group's dedication to innovation and modern teaching methods has ensured that their students are well-equipped to face the challenges of the future.

The Chettinad Group's contribution to the field of education has been significant, and their impact has been felt across the country. Its commitment to providing quality education has helped shape the lives of thousands of students, who have gone on to achieve great success in their respective fields.

II About Chettinad Academy of Research and Education (CARE)

The Chettinad Academy of Research and Education (CARE) conferred the status of Deemed University under Section 3 of the UGC Act, 1956. Additionally, it has been recognized as a Category I Institution by the UGC and has received an outstanding 'A++' grade accreditation from NAAC.

This recognition is a testament to CARE's unwavering commitment to providing exceptional education and research opportunities to its students. As a Deemed University, CARE will continue to uphold its high standards of academic excellence and innovation, while also expanding its reach and impact in the field of education. Overall, this recognition is a significant milestone for CARE and a testament to its dedication to providing world-class education and research opportunities to its students.

Vision

To offer transformative education and enable individuals to become responsible, empathetic global citizens who contribute towards a sustainable future.

Mission

- Create a nurturing and supportive environment to ensure students a fulfilling, demanding and intellectually stimulating experience.

- Enable students to imbibe values, cultivate a desire for lifelong learning and maximize their potential.
- Prepare students for employment in the global arena.
- To establish a team of well-qualified faculty that will enable the institution to grow holistically.
- Provide the best state of the art infrastructure. Offer quality health services to all strata of society.
- To facilitate independent innovative research and share knowledge and understanding with the society.
- To contribute to the social, economical and national development.

Constituent Colleges and Schools of CARE:

- Chettinad Hospital and Research Institute (Medicine and Allied Health Sciences)
- Chettinad College of Nursing
- Chettinad School of Pharmaceutical Sciences
- Chettinad School of Physiotherapy
- Chettinad School of Occupational Therapy
- Chettinad School of Law
- Chettinad School of Architecture

III About Chettinad Hospital and Research Institute (CHRI)

Chettinad Hospital and Research Institute, a constituent college of Chettinad Academy of Research and Education, is dedicated to providing top-notch healthcare services to the surrounding villages. Our facility offers a range of diagnostic, preventive, and curative services to meet the diverse needs of our patients.

Nestled in a serene and sprawling campus, CHRI provides a conducive environment for learning. Our student-centered approach, coupled with state-of-the-art facilities, sophisticated infrastructure, and well-stocked libraries, ensures that our students receive the best possible education.

Our teaching programs are guided by the respective statutory councils and are reviewed periodically by the Board of Studies and Academic Council to keep up with the latest advancements. We strive to provide our students with the most up-to-date knowledge and skills to prepare them for successful careers in the healthcare industry.

At CHRI, we are committed to providing the best possible care to our patients. We have invested in cutting-edge technology and state-of-the-art equipment to ensure that our patients receive the highest quality treatment. Our eco-friendly campus and optimal use

of information technology further enhance our academic pursuits and teaching-learning activities. We also believe in the importance of continuing education and faculty development programs to keep our staff up-to-date with the latest advancements in the field.

Salient Features of PG Courses

Looking to pursue a postgraduate course in medicine?

Look no further than our institution, where we offer a range of programs that are recognized and permitted by the Ministry of Health & Family Welfare and Medical Council of India / National Medical Commission, New Delhi.

Our state-of-the-art infrastructure includes a 1570 bedded hospital, 16 operating theaters, and 7 intensive care units, all of which meet statutory requirements. We also have a well-stocked departmental library with the latest editions of books and journals, as well as a wide range of digital databases and inter-library loan facilities.

Our faculty members are highly qualified, experienced, and reputed, and we offer bedside clinical teaching to ensure that our students receive the best possible education. We have a good success rate in various complicated surgical cases, and our students are exposed to advanced technologies, including robotic procedures.

We also offer opportunities for our students to organize and participate in state, national, and international level conferences and workshops, as well as research methodology classes and exposure to active collaborative research. Our students also have the chance to work in community outreach hospitals and programs, as well as corporate hospitals and advanced technologies through academic MoU's.

Our residential and recreational facilities are world-class, and our students are immediately placed in various government and private institutes and leading multi specialty hospitals across the globe. We also offer fellowship programs in various clinical departments and opportunities to be a part of outsourced expert consultation services.

In short, our postgraduate courses offer a comprehensive education that prepares our students for successful careers in medicine.

12	Dermatology	Madras Medical College - Institute of Venereology	Peripheral Training

IV Admission Procedure

Eligibility for admission to M.D. / M.S. degree courses:

Candidates should have qualified in the National Eligibility-cum-Entrance Test NEET PG-2023 conducted by the National Board of Examinations in Medical Sciences, New Delhi on 05.03.2023 for which the result published on 14.03.2023.

Candidates should have obtained the minimum percentile of marks in the qualifying examination as per the norms of National Medical Commission, New Delhi.

In order to be eligible for admission to Postgraduate Course for an academic year, it shall be necessary for a candidate to obtain minimum of marks at 50th percentile in the 'National Eligibility Cum-Entrance Test for Postgraduate courses' held for the said academic year. However, in respect of candidates belonging to Scheduled Class, Scheduled Tribes and Other Backward Classes the minimum marks shall be at 40th percentile. In respect of candidates with benchmark disabilities specified under the Rights of Person with Disabilities Act 2016, the minimum mark shall be at 45th percentile. One year internship should be completed on or before **11.08.2023**.

Cut-off scores out of 800 for NEET PG 2023 as per NBEMS

General / EWS (50 th Percentile)	OBC / SC / ST (40 th Percentile)	General – PWD (45 th Percentile)
291	257	274

NEET is mandatory for all Indian citizens or overseas citizens of India who have obtained their Primary Medical Qualifications from Medical Colleges outside India should have qualified the Foreign Medical Graduate Examination (Screening Test) as per Screening Test Regulations, 2002 which is conducted by National Board of Examinations in Medical Sciences. Further, the candidates should have been registered with the NMC/ the erstwhile Medical Council of India or State Medical Council.

Counselling:

As per the PG Medical Education Regulations 2000 under clause 9(A) of MCI, there shall be a common counseling for admission to all PG courses in all medical education Institutions on the basis of merit list of NEET-PG conducted by the MCC of Directorate General of Health Services, New Delhi.

Candidates who intent to apply for admission to M.D./M.S. degree courses for the academic year 2023-24, in Chettinad Hospital and Research Institute are advised to register themselves through online web portal of Directorate General of Health Services,

New Delhi i.e. **www.mcc.nic.in** (Medical Counseling Committee) for participating in common counselling and they are advised to periodically check the MCC website for updates viz., **Frequently Asked Questions (FAQ), Schedule/re-schedule** of counselling dates and its process etc.

On obtaining the online allotment order from the Directorate General of Health Services, New Delhi, the allotted student shall report to the **University office, Chettinad Academy of Research and Education** and fill the application cum reporting form along with the allotment order within the due date as indicated in the allotment order and pay the entire tuition fee and other applicable fee, etc., for the academic year 2023-24. Otherwise he/she shall forfeit his/her offer of admission to the course in the Institution without any notice and will have no right to claim the seat, in future.

Candidates provisionally allotted for admission will have to submit all required original certificates with the Institution. Therefore, candidates are advised to keep with them sufficient number of photocopies of their certificates.

Where any student applies for discontinuance, or without any application discontinues on his/her own, from the course to which he/she has been admitted to, for any reason, either on or after the cut-off date prescribed by the statutory and/or University authorities for admission to the first year of the course or where the seat is rendered vacant without having any chance of being filled up with any other candidate such students will have to remit the tuition fee and other applicable fees for the 'entire/remaining course period'.

No migration to other medical course during the course of study is permissible.

VIII General Information:

Admissions are subject to fulfillment of all the eligibility conditions prescribed by the University and statutory authorities (National Medical Commission / Medical Council of India). If it is found at a later stage, that the candidates have submitted false information / forged certificates, his/her admission will be cancelled without any notice and the same shall be final and binding.

Appearance in NEET-PG 2023 does not confer any automatic rights to secure a M.D. / M.S. admission. The selection and admission to M.D. / M.S. seats in this university is subject to fulfilling the eligibility, medical fitness and such other criteria as may be prescribed by the Counseling Authorities i.e. MCC of Directorate General of Health Services, National Medical Commission, New Delhi and this university.

Candidates with provisional allotment letter are advised to submit all the necessary original documents, pay the tuition and join as early as possible and not to wait for last day of joining, considering the time required to complete admission formalities.

If a candidate fails to report on the date and time specified by MCC of DGHS in the allotment order along with the original Certificates/Documents and/or fails to pay the tuition fee by Demand Draft/Electronic Fund Transfer through RTGS with UTR No. (For NRI Students Wire Transfer) on the day of admission, he/she will not be permitted to proceed with the admission process.

Candidates who have deposited their original documents with any other Institute/ College/University and come for admission with a certificate stating that "their original certificates are deposited with the Institute / College / University" will not be allowed to take admission as directed by DGHS, New Delhi.

Admitted students are bound by the Rules and Regulations of this University framed from time to time in the matter of syllabus, examinations, fee structure, discipline and policy for refund of fee etc.

The University reserves the right to change any of the conditions enumerated periodically or for the purpose of complying with any of the regulations of the statutory councils.

Tuition fee and other dues payable in the subsequent academic years shall be paid by the students within the due date fixed by the Institution failing which the name of the defaulting students shall be removed from the rolls of the college after the expiry of due date.

Candidates himself / herself must be present at the time of reporting. No proxy will be allowed in any circumstances.

Note:

It is a general advisory to all students admitted in MD / MS course at Chettinad Hospital and Research institute that they do not avail any long period of leave during the course of study and try to complete the course within the stipulated period of three years. If contingency arises to break the study due to illness, maternity Leave by women students during the period of study, the study period shall be extended to the extent of leave availed. Their re-admission to the course after the break of study will be subject to condonation order issued by the University with application and remittance of the prescribed fee through the Dean CHRI.

According to Clause 13.2 of the MCI PG Regulations 2020, "All the candidates joining the Post Graduate training programme shall work as 'Full Time Residents' during the period of training and shall attend not less than **80% (Eighty per cent)** of the imparted training during academic term of 6 months including assignments, assessed full-time responsibilities and participation in all facets of the educational process."

Note: To gain complete knowledge of medical subjects attendance of the students in a class is must. Hence PG course requires vigorous training and studies because candidates undertaking the PG course would be extending the medical advice in a specialized field and therefore the requirement in the PG course is to be resident for training. Failure to take training with minimum required percentage of attendance would make them ineligible to appear for the University Examination.

All disputes arising in the interpretation and implementation of the provisions in this information bulletin will be referred to the Vice Chancellor, Chettinad Academy of Research and Education and the decision of the Vice Chancellor shall be final and binding.

In respect of matters relating to or arising out of this information bulletin, the jurisdiction shall be at Chennai alone.

Tamil Nadu Medical Council directives (as per letter dated 19.12.2019):

Candidates from other states who are pursuing post graduate courses in Tamilnadu and Pondicherry have to register themselves in the Tamil Nadu Medical Council within 3 months of admission.

Penalty clause: To impose a penalty that Rs.5,000/- (Rupees Five thousand only) would be levied as fine to the candidates of other states who studying PG courses in Tamilnadu and Pondicherry if not registered within the prescribed time (3 months).

The penalty for such candidates for registering at the end of the course would be Rs.10,000/- (Rupees Ten thousand only).

IX Ragging in any form is prohibited in the University Campus:

The University follows a Zero Tolerance Policy towards Ragging. Ragging in any form is a crime and a punishable offence. As per the directions of the Hon'ble Supreme Court of India, University Grants Commission has framed "Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009" and the National Medical Commission / Medical Council of India has framed "(Prevention and Prohibition of Ragging in Medical Colleges/Institutions) Regulations, 2009" and notified in the Govt. of India Gazette in

order to prohibit, prevent and eliminate the scourge of ragging. These regulations are mandatory and provides for punishment of those who abet and indulge in ragging, directly or indirectly.
