All candidates who have joined the course/college and those to whom a seat could not be allotted during the first round of counselling due to SNA/CNA shall be eligible to participate in the process of counselling/upgradation and those who have not joined on allotment of the seat during the first round shall not be eligible;
- ii. The candidates eligible and desirous of participating in the physical round of upgradation/allotment shall be required to fill in fresh preference forms and the preference forms filled online during first round shall be deemed to be cancelled;

Board office in the morning and shall have to participate in the counselling process on their turn. The seat shall be allotted to the candidates who participate in the counselling at relevant point of time on the basis of merit-cum-preference. In case any candidate fails to appear in the counselling at his/her turn he/she shall lose claim on the seat available, which shall be allotted to the next available candidate in order of merit. However, such a candidate who misses the counselling on his/her turn and reports at a later date/time than of his/her turn during the counselling period as notified, shall be considered only against the seat(s), which are available at that point of time; and

Such a process, if allowed would mean re-opening of admission/allotment process and thereby result in non-completion of admissions within the stipulated/prescribed time limit by the MCI/Hon'ble Supreme Court of India;

- (ii) The candidates participating in the physical round of counselling and allotted a seat, should in their own interest not to leave the Board office on their day of counselling as there is a possibility that a seat of his/her choice, which was not available on his/her turn of counselling, may become available in the process. He/she can stake a claim on such a seat immediately once the seat is displayed on the monitor of the Board, consequent upon its vacation by a candidate so that such a candidate is considered for allotment of the seat on merit cum preference basis on same day. The seat allotted to him/her earlier shall become vacant and added to the seat matrix, if upgraded. Board shall not be responsible in case a candidate leaves the Board office and he/she fails to stake a claim on a seat as may become available as above.

29. CONVERSION OF CATEGORY SEATS IF ANY/FINAL ROUND BY PERSONAL COUNSELLING (MOPPING UP ROUND):

If otherwise required, the **Board** will issue Notification of final round by Personal Counseling on its website www.jkbopee.gov.in indicating schedule of selection process for final round for allotment of seats remaining vacant after completion of earlier round(s) of allotment of seats by way of Preference Forms. This final round of allotment of seats shall be conducted by way of personal counseling instead of allotment on the basis of Preference Forms to ensure that all the vacant seats are filled in before the last date fixed by MCI from time to time and there will be instant seat allocation. All the candidates who have qualified the NEET PG 2024 but could not be allocated seats in earlier rounds and have submitted the documents in BOPEE office will be eligible to appear in the final round of counseling. Those who had not submitted the documents shall, in no case, be considered, notwithstanding their merit position. **The unfilled category seats shall also be filled up during the final round and by adding the same to the seats available.**

On account of allotment of seats in this final round of admission, no fresh vacancies consequent upon allotments made in this round will be created. This is principally because this final round of allotment is meant to fill up (as far as possible all) available vacant seats without creating a new or fresh vacant seat on account of such allotment. During this round also, eligible candidates will appear personally (**Proxy will not be permitted**), seeking allotment of seats of their choice. Personal counseling for such allotment will be held strictly in order of earlier Merit List number of NEET-PG, 2024. Each candidate will be offered all seats that have remained vacant and are available for allotment as per merit and preference only at time of his/her turn of counseling i.e. as per Merit Position. The available seats shall be offered to the next candidate in merit.

Before personal counseling round, all available vacant seats (due to non- allotment / non-joining / resigning/ unfilled category seats to be converted to OM) will be notified on website. Eligible candidates interested to participate in this round should carefully go through vacant seats as notified on website and decide whether to participate in the Final Personal Counseling round. Such candidates, in their own interest are advised however, to be available in the BOPEE office during the mopping up round to stake a claim on the available seats.

For the purpose of this Personal Counselling round, following seats shall be considered as available for admission which will be displayed on website before commencement of Personal Counseling round :-

- a) All seats that have remained vacant, if any, at the end of previous admission round(s) on account of non-allotment;
- b) All seats that were allotted in previous round(s) but were rendered vacant on account of candidate to whom such seats were allotted but did not join or resigned;
- c) All unfilled category seats to be converted into OM;

- d) All such seats that may become additionally available on any account whatsoever, including but not limited to seats if any additionally recognized by Medical Council of India made additionally available on account of any Order that may be passed by Courts etc.

In aforesaid final round of admission by personal counseling, preference forms submitted by all eligible candidates will not be considered and same shall be treated to have been cancelled. In other words, this final personal counseling round shall not be conducted on the basis of choices given in preference forms submitted by candidates, but on the basis of the merit-cum-preference of such candidates who are available at that time/date.

All candidates to whom seats will be allotted in accordance with choice and available seats at his/her merit position at time of personal counseling, will be required to join concerned college and complete all necessary formalities (by submitting all original documents and paying prescribed fees) for taking admission accordingly within prescribed time.

Allotment of seat once made in this personal counseling round shall not be changed. At the time of this personal counseling round, candidates must consider available seats thoroughly and opt for a seat which they must join once allotted.

It is hereby made clear that in case such a candidate does not join concerned College and/or fails to comply with necessary formalities, his/her admission shall be cancelled.

Note: 1) The process of allotment of streams/institutions for MD/MS/PG Diploma & Courses by counseling shall have to be completed by the last date fixed by NMC/MCI from time to time. However, the selected candidates, who have completed their admission formalities but are no more interested in continuing their admission must resign by or before the last fixed by NMC/MCI or as decided by the Board failing which they shall not be eligible to participate in the counseling process for admission to MD/MS and other PG Diploma Course next year/subsequent years as already stated hereinabove. This is to ensure that no seat remains vacant and Board gets time to notify the unfilled and vacant seats. The candidates selected after the last fixed by NMC/MCI cannot resign so as such candidates should weigh all pros and cons before participating in the counseling.

Note:2) As decided ,the Board shall forward the list of students in order of merit equaling to ten times the number of vacant seats to the Medical Colleges by the last fixed by NMC/MCI resp. The last date of joining the college/institution shall be as notified by the NMC/MCI from time to time.
