

MBBS Admissions 2024-25

The NEET-UG Counseling 2024 is conducted online by the Medical Counseling Committee (MCC), DGHS, New Delhi, facilitating admissions to the MBBS Course.

All participating candidates should thoroughly review the Information Bulletin, Counseling Procedure, Institute Information, and Seat Matrix available on the MCC's official website at mcc.nic.in. To seek admission to the MBBS Course at Alluri Sitarama Raju Academy of Medical Sciences (ASRAM), ELURU candidates must ensure they are duly registered.

1. Reporting procedure

Candidates allocated an MBBS seat through the MCC UG Medical Counseling 2024 are required to complete their physical reporting at ASRAMS according to the schedule posted by the MCC.

Upon reporting, candidates must bring all original certificates/documents and either a demand draft or make an online transfer to pay the tuition fees. Please note at ASRAM we have digitised our Admission process, hence to avoid any delay in admission process all students are requested to have scanned copies of all listed documents in this site to ASRAM to upload along with original documents for verification.
